RALEY'S ERRORS ARE COSTLY FOR COLTS

After Game Is Apparently Sewed Up Honest John Kicks an Easy Roller, Following With a Wild Heave, the Combination Giving Roanoke Two Runs.

neader was scheduled to-day, but after he Tigers got through trimming the Jolts in the first engagement and had the second started, a heavy gale, to-gether with much darkness, postponed hestilities for a while, and then Clark called the game on account of dark-ness, announcing at the same time that a double-header will be played to-mor-row, the first game at 2:30 o'clock. A very good crowd turned out to see the Tigers rallied in the ninth with second place, every one leaving after the Tigers rallied in the eninth with two runs that won the game, which put them but three games behind the second placers.

Harry Griffin opposed Jap Efird, and pitched smart and classy baseball, having a shade the better of the ment. In only one inning did the regument. In only one inning did the Colts have a chance, the third, when they bunched three clean hits, scoring two runs, after two men were out. This was the only inning that Jap allowed the visitors to sit safely, pitching steady and winning ball all the way with that exception.

Griffin, too, was going well, holding the control of the coacher's box, while Mattis came home with the winning run. In a second the game was changed from a loser to a winner, just when it was least expected.

The score:

Griffin, too, was going well, holding the Tigers to three hits in the first seven innings, allowing but one run, he result of Goalby's single followed by Ginn's single to right, which sent loalby to third, whence he scored on Welcher's sacrifice ity to centre. This, was in the fifth, and it looked like a lost ball game until the Tigers made mother rally in the ninth, sending two runs over the plate, the result of Raruns over the plate, the result of Ra-ey's error, followed by a play which is what is commonly termed in baseball

McLoughlin in his early match showed the effects of his hard play abroad and the subsequent lack of practice.

He easily defeated his opponent, Amos Pinchot, who, handicapped by a lame knee, could do nothing with MeLoughlin's service and stroke. The champion however, demonstrated that his judgment of distance and angles was not at its best. Another day of play will probably find him in his old time form again.

New York, August 18.—The Giants defeated the Pirates twice to-day, taking the first game 5 to 3, and the second 5 to 1. In the first, the hitting of Doyle, who returned to his old position at second after a two-weeks, ab-Doyle, who returned to his old posi-tion at second after a two-weeks' ab-sence, because of his injured ankle, featured, and the base-running of both teams was a joy to the 20,000 bugs who watched. Nine stolen bases were who watched. Nine stolen bases were registered. A rally by the visitors pushed over two in the ninth after two were out. The second was a walk away, despite the fact that Tesreau was found for eleven hits. Robinson was batted out in the fifth, Cooper taking his place, only to give way to O'Toole in the seventh. Doyle stole two bases in this game also, making four for the evening.

Washington. The Collegians, runnersup in the race, were practically eliminated through their defeat at the hands of the Ashland outfit last Saturday. Even should the amateur commission, which will meet to-morrow night, determine that the schedule be played to the end, nothing short of a miracle could give them the lead in the chase for city championship

Reports from Washington say that the Bankers, who opposed Dr. Park-er's Battle Axes in 1911 and again in 1912, will represent the District ganization again this year, If this report proves true, Richmond has better than even chances of winning the championship of the two cities. The Grays are by far the best equipped organization representing Richmond in the three years of organized amateur baseball.

However, regardless of which way the honors go, local amateurs are already making plans for taking the trip to Washington. That there record-breaking crowds attending the games, both here and in the cap-ital of the nation, is indicated by the growth of the amateur baseball spirit both citles interested.

Dr. Price is confident that his proteges will make a good showing, his hopes seem well grounded, for with Blount, catcher; Canepa, Dunn and Redford, pitchers: Bigby, Nelson, Poh and Orebaugh, infielders, and Saricino, Dowden, and Morgan in the outfield, the Richmond bunch can measure lances with any amateur aggregation.
